NOTICE OF POWER INTERRUPTION

**On Wednesday December 15, 2010
9:30 am to 1:30 pm**

We will be interrupting the electrical power supply to your home or place of business in order that we may safely perform work near the electrical distribution system in your area. Notices will only be mailed to the customers affected by this outage.

Location: Peacock Point, Cheapside Rd (south of Rainham Rd)

Customers: approx 450 customers

**Alternative Date: Thursday December 16, 2010
9:30 am to 1:30 pm**

Every effort will be made to keep the interruption as short as possible, however unexpected circumstances may give rise to lengthier delays in the restoration of power.

Please note that electric or electronic clocks, alarm systems, some appliances and heating and cooling systems etc. require resetting when the power supply resumes.

Ensure that vehicles are removed from garages as electric garage doors will not open during the interruption in power.

If you have any concerns regarding the interruption, please call our office. We apologize for any inconvenience this may cause.

Thank you
